6. To approve the Directors' remuneration for the year-ended December 31, 2017 as contained in the Annual Report and Accounts.

PROXY

A member entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote in his/her stead. A Proxy need not be a member of the Company. A Proxy form is attached to the Annual Report & Accounts. If the Proxy Form is to be valid for the purposes of the meeting, it must be completed, stamped and deposited at the office of the Registrars, GTL Registrars Limited, 274, Murtala Muhammed Way, Yaba, Lagos not later than forty-eight (48) hours prior to the time of the meeting.

BY ORDER OF THE BOARD

DCSL CORPORATE SERVICES LIMITED
(Company Secretaries)

Dated: 19th April, 2018

NOTES:

Rights of Securities Holders to ask Questions

Securities' Holders have a right to ask questions not only at the Meeting, but also in writing prior to the Meeting, and such questions must be submitted to the Company on or before **20th day of August, 2018**.

DIVIDEND

A total dividend of **₦18,696,260.00** representing **8.5 kobo** per share has been recommended by the Board for approval. If approved, the payment of the dividend will be made on **Monday, 24th September, 2018** to shareholders whose names appear in the Company's Register of Members at the close of business on **Friday, 10th August, 2018**.

CLOSURE OF REGISTER/TRANSFER OF BOOKS

The Register of Members and Transfer Books will be closed **from Monday, 13th August, 2018 to Friday, 17th August, 2018** (both days inclusive) for the purpose of updating the Register of Members.

NOMINATION/ELECTION OF AUDIT COMMITTEE MEMBERS

In accordance with Section 359(5) of the Companies and Allied Matters Act Cap C20, Laws of the Federal Republic of Nigeria, 2004, any member may nominate a shareholder as a member of the Audit Committee by giving notice in writing of such nomination to the Company Secretaries at least 21 days before the Annual General Meeting.

UNCLAIMED DIVIDEND

Some dividend warrants have remained unclaimed or are yet to be presented for payment or returned to the Company for revalidation. Affected Shareholders are advised to complete the e-dividend registration or contact the Registrars, GTL Registrars Limited, 274 Murtala Muhammed Way, Yaba, Lagos.

E-DIVIDEND

Shareholders are advised to update their records and/or open bank accounts, stock broking accounts and CSCS accounts for the purpose of dividend payments and any other payments. A detachable application form for change of address, e-dividend and any other payment are attached to the Annual Report for Shareholders' convenience. The duly completed form should be returned to GTL Registrars Limited, No. 274, Murtala Muhammed Way, Yaba, Lagos.

CHANGE OF REGISTERED ADDRESS AND EMAILS

Members are requested to notify the Registrars of changes, if any, in their registered addresses.

RE-ELECTION OF DIRECTORS

In accordance with the provisions of the Companies and Allied Matters Act, 2004, the Directors to retire by rotation at the 31st AGM are Chief (Dr.) Jinesh Dugad and Mr. Ramesh Biswal. The retiring Directors, being eligible, offer themselves for re-election.

COMPANY OVERVIEW

Aluminium Extrusion Industries Plc (ALEX) is a subsidiary of Tower Aluminium Nigeria PLC. It was incorporated on the 26th October, 1982. Aluminium Extrusion Industries Plc has been a pioneer in Aluminium Extrusion with over twenty-eight years of experience in extrusion business. The Company draws its strength from being part of an International group operating the extrusion business in Ghana, Kenya, Trinidad, Srilanka, Nepal, Jamaica and other countries. We are one of the largest producers of extruded profiles in West Africa with ISO 9001.2000 certified from Nigerian Industrial Standard (NIS).

Our Range of Products include: Press Finish; Anodized Products; Power Coated Products; Powder Coated Products; Aluminium Bars and Roofing Sheets.

The Company currently has one big extrusion press with about 5000 Metric Tons Capacity. Annual Production Capacity of the company is about 4,000 metric tons of extruded profiles.

The Company also has one billet casting Plant for production of Aluminium billet which is the major raw material for extruded profiles.

Powder Coating Plant

The Company has two horizontal powder coating plants with annual production capacity of about 4,000 Metric Tons (MT) and over 2,000 dies both for standard extrusions and customer specific sections. The Company also has various types of dies for multi-track sliding doors and windows, projected and partitioning sections, furniture and bus body sections, photo frames and sun breaker Sections etc.

Our product range is further enhanced by the availability of Tee Sections, Square Tubes, Round Tubes, Special Rectangular Tubes, Equal and Unequal Angles, U-Channels Rods, I-Sections, Hexagonal Sections, Elliptical Sections in various sizes, dimensions and wall thickness.

The Company's facilities are located at Inyishi in Ikeduru Local Government Area in Imo State of Nigeria.

ALUMINIUM EXTRUSION INDUSTRIES PLC 31ST ANNUAL GENERAL MEETING

CHAIRMAN'S STATEMENT:

Distinguished shareholders, fellow Directors of our Company, ladies and gentlemen, it is indeed a great pleasure and privilege to welcome you to the 31st Annual General Meeting of our Company, Aluminium Extrusion Industries PLC, and to present to you the Annual Report and Accounts of the Company for the year ended 31st December 2017.

REVIEW OF THE OPERATING ENVIRONMENT:

Nigerian Manufacturers were confronted by many challenges including high cost of funds, unreliable and inadequate electricity supply, high input costs that led to high prices of locally produced goods as against the imported ones, social unrest and uncertainty in some parts of the North and South and the consequent decline in demand for products.

OUR COMPANY OPERATIONS:

To survive in the face of the above challenges, our Company intensified efforts to get more customers and retain our current dealer base.

Our Company procured a new Extrusion Press Cylinder from the Original Equipment Manufacturer. We have also successfully fitted the same in the Press. By this initiative we have avoided risk of major production stoppage.

OUR PERFORMANCE:

Our Company made a total turnover of N2.57 billion as against N2.99 billion the previous year. Similarly, Profit before tax marginally dropped to N124.01 Million as against N127.56 Million in the previous year. In the same vein, profit after tax dropped to N83.40 million from N88.05 million the previous year. Nevertheless, the Directors are proposing a dividend of 8.5 kobo per share for the year ended 31 December 2017. The proposed Dividend amounts to N18.7 million, subject to deduction of Withholding Tax. By this the Company would be paying dividends for eight years consecutively.

CORPORATE SOCIAL RESPONSIBILITY:

Our Company continued to maintain cordial relationship with our host community. The Community Relations Committee held regular meetings with the representatives of the community and projects already established for the community are being maintained and improved upon.

PROSPECTS FOR THE FUTURE:

Our Company continues to study and monitor developments in the Industry and the market and will react appropriately as the situation may demand. Our customers testify that our products are the best in the market and we will endeavor to keep this up so that ALEX will grow stronger.

CONCLUSION:

I wish to commend all our shareholders for their doggedness and faith in us. My thanks will also go to our customers who have continued to patronize us. In a special way, I must express my gratitude to my fellow Directors on the Board for their support and cooperation. In the same way I wish to thank the Management and staff of the Company for the wonderful work they are doing.

Thank you ladies and gentlemen and God bless you.

REPORT OF THE DIRECTORS FOR THE YEAR ENDED DECEMBER 31, 2017

The Directors hereby present to the members of the Company their Report together with the Audited Financial Statements for the year ended December 31, 2017.

1. Legal Form and Principal Activities

The Company was incorporated as a Private Limited Liability Company on October 26, 1982 and was converted to a Public Limited Liability Company on Friday, October 3, 1986. Its shares were listed on the Nigerian Stock Exchange in the same year. The Company's principal activities are the manufacture and sale of extruded aluminum products.

2. Results for the year

The Company's summarized results for the year ended December 31, 2017 are as follows:

	2017 N000	2016 N000
Revenue	2,568,508	2,990,048
Gross Profit	340,104	342,607
Other Income	629	-
Profit Before Taxation	124,014	127,563
Taxation	(40,616)	(39,511)
Profit After Taxation	83,398	88,052
Comprehensive Income	83,297	253,017
Earnings per share (in kobo)	38	38

3. Declaration of Dividend

A total dividend of **₦18,696,260.00** representing **8.5 kobo** per share has been recommended by the Board for approval. If approved, the payment of the dividend will be made on **Monday, 24th September, 2018** to shareholders whose names appear in the Company's Register of Members at the close of business on **Friday, 10th August, 2018** subject to deduction of withholding tax at the appropriate rate.

3.1 E-Dividend

An E-Dividend Mandate Activation Form is hereby attached at the end of this Annual Report and Accounts for the benefit of shareholders who wish to receive their dividends in electronic form.

3.2 Unclaimed Dividends

In accordance with Section 385 of the Companies and Allied Matters Act Cap C20, Laws of the Federal Republic of Nigeria, 2004, the list of names of those who are yet to claim their dividends is attached to the Annual Report and Accounts.

The Company's directors, executives and employees are prohibited from dealing with the Company's shares in accordance with the Investments & Securities Act, 2007. As required by law, the shares held by directors are disclosed in the annual report.

14.8 Complaints Management Policy Framework

In compliance with the Securities and Exchange Commission guideline that all Capital Market Operators must develop a Complaints Management Policy Framework on how to resolve complaints arising from issues covered under the Investment and Securities Act, 2007, the Company have developed a Complaint Management Policy that sets out the broad framework by which the Company and its Registrars attend to issues and concerns raised by shareholders and provides the opportunity for the shareholders to give feedback to the Company on matters that affect them.

The Company is committed to efficient and effective complaints management by ensuring the following:

- Acknowledging the right of the shareholders /investors to complain when displeased or dissatisfied with the Company/Management activities or performance and encourages feedback;
- Ensuring that shareholders complaints are dealt with in a responsive, efficient, effective, fair and economical way;
- Facilitating efficient and easy access to shareholder information.

14.9 Remuneration Policy for Directors and Senior Management

The Company's Remuneration Policy for Directors and Senior Management is geared towards attracting, retaining and motivating the best talent and enables the Company achieve its financial, strategic and operational objectives. The policy sets out amongst others, the structure and components of the remuneration packages for Executive and Non-Executive Directors and ensures that the remuneration packages comply with the SEC Codes of Corporate Governance.

In line with the provisions of the extant regulations and Code of Corporate Governance, the remuneration of Directors and Senior Management are set at levels, which are fair and competitive and take into consideration the economic realities in the financial services sector and the Company's financial performance.

14.10 Risk Management

The Board has approved the Company's Risk Management Policy and Risk Matrix and established a Risk Management Committee at its meeting of March 23, 2018. The Committee will be responsible for assessing the various risks faced by the Company in the following categories:

- Strategic
- Financial
- Operational
- Environmental
- Reputational

The Committee will be responsible for the assessment of risk report presented by Management and the Company's risk appetite with a reporting line to the Board.

15. Employees:

Employment of Disabled Persons

The Company had no disabled employee on its payroll as at December 31, 2017. Nevertheless, it has an employment policy that does not discriminate against disabled persons. For employees who become disabled during their services with the Company, arrangements are available to re-train them for alternative work within the Company.

Health, Safety and Welfare

Employees are regularly provided with information on matters concerning the Company and their welfare. Management holds regular and informal meetings with the Staff Unions, which have so far resulted in cordial industrial relations throughout the year. Staff are given technical training on the job and on the plants of affiliated companies.

16. Auditors

The Auditors, Messrs. Madu, Onyekwena & Co have indicated their willingness to continue in office in accordance with Section 337(2) of the Companies and Allied Matters Act, CAP C20, LFN 2004, a resolution will be proposed at the Annual General Meeting to authorize the Directors to fix their remuneration.

17. Audit Committee

The members of the Audit Committee appointed at the last Annual General Meeting have met and will at this meeting, in accordance with the provisions of the Companies and Allied Matters Act, CAP C20 LFN 2004 present their report to the shareholders.

ALUMINIUM EXTRUSION INDUSTRIES PLC
STATEMENT OF DIRECTORS' RESPONSIBILITIES
FOR THE PREPARATION AND APPROVAL OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2017

The Directors of Aluminium Extrusion Industries Pic. are responsible for the financial statements that present fairly the financial position of the Company as at 31 December 2017, and the results of its operations, cash flows and changes in equity for the year ended in compliance with International Financial Reporting Standards (IFRS)

In preparing the financial statements, the Directors are responsible for:

- properly selecting and applying accounting policies.
- presenting information, including accounting policies, in a manner that provides relevant, reliable and comparable and understandable information
- providing additional disclosures when compliance with the specific requirements in IFRSs are insufficient to enable users to understand the impact of particular transactions, and conditions on the Company's financial position and financial performance and performance; and
- making an assessment of the Company's ability to continue as a going concern.

The Directors are responsible for,

- designing, implementing and maintaining an effective and sound system of internal controls throughout the Company
- maintaining adequate accounting records that are sufficient to show and explain the transactions and disclose with reasonable accuracy at any time the financial position of the company and which enable them to ensure that the Financial Statements of the company comply with IFRS
- maintaining statutory accounting records in compliance with the legislation of Nigeria and IFRS.
- taking such steps as are reasonably available to them to safeguard the assets of the Company; and preventing and detecting fraud and other irregularities.

The Financial statements of the company for the year ended 31 December 2017 were approved on 23 March, 2018.

REPORT OF THE AUDIT COMMITTEE

TO THE MEMBERS OF ALUMINIUM EXTRUSION INDUSTRIES PLC

In compliance with section 359(6) of the companies and Allied Matters Act. CAP C20 laws of the Federation of Nigeria 2004, we have reviewed the financial statements of the company and Auditors' report for the year ended December 31, 2017 and hereby report as follows:

1. The scope and planning of the audit were adequate in our opinion
2. The accounting and reporting policies of the company for the year under review are in accordance with legal requirements and agreed ethical practices.
3. The internal control was being constantly and effectively monitored.
4. The external Auditors' management report received satisfactory response from management.
5. The company did not violate any regulation of the code of corporate governance during the period under review.

INDEPENDENT AUDITOR'S REPORT

To the shareholders of Aluminium Extrusion Industries Plc
Report on the Audit of the financial statements
Opinion

INDEPENDENT AUDITOR'S REPORT

To the shareholders of Aluminium Extrusion Industries Pic
Report on the Audit of the financial statements

Opinion

We have audited the accompanying financial statements of **Aluminium Extrusion Industries Pic** as at 31 December 2017 which comprise the statement of profit or loss and other comprehensive income, statement of financial position, statement of changes in equity and statement of cash flows for the year and summary of significant accounting policies and other explanatory information as set out on pages 6 to 35.-

In our opinion, the financial statements give a true and fair view of the financial position of **Aluminium Extrusion Industries Pic**, and its financial performance and cash flows for the year ended 31 December 2017 in accordance with the Companies and Allied Matters Act, CAP C20, LFN2004, the Financial Reporting Council of Nigeria Act 2011 and the International Financial Reporting Standards.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the "Auditors Responsibilities for the Audit of the Financial Statements" section of our audit. We are independent of the Company in accordance with the Institute of Chartered Accountants of Nigeria (ICAN) Professional Code of Conduct and Guide for Accountants, which is consistent with the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (Part A and B) together with other Ethical requirements that are relevant to our audit of the financial statements in Nigeria, and we have fulfilled other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current year. We have communicated the key audit matters to the Audit Committee. The key audit matters are not a comprehensive reflection of all matters discussed. These matters are addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. The key audit matters below relate to the audit of the financial statements.

Valuation of finished goods inventory

The company has various forms of finished goods products. These products are press finish (work-in-progress), anodized and powder-coated profiles. This derives from the "metal to metal" reconciliation adopted by the Company. This system concentrates more on the metal input to production and metal output in forms of Billets, Profiles and Aluminium scraps (which are recycled). These metal outputs are being valued as the cost and quantities of the raw materials are entered in SAP accounting package. The manufacturing overheads relating to the production are captured manually in the SAP environment and incorporated in the general ledger via journal. However, the SAP accounting package could not generate the valuation report for the various finished goods categories.

Our procedures focused on the following:

Performed appropriate test on the input data in SAP such as confirming the weight of the material input to production (including monthly physical inventory count quantity) and purchase quantity and prices.
Participated in the year-end physical inventory count and established the inventory quantity in number.
Reviewed the conversion of the physical inventory counted in units to the kilogramme equivalent used in measuring the weight.
Reviewed the constituents of the manufacturing overheads and the incorporation to the ledger. Vouched selected ledger balances which have recognized the raw materials input cost and value relating to production

Our substantive test did not reveal any material mis-statements.

Other information

The Directors are responsible for the other information. The other information comprises the Directors' report and Audit Committee's report as required by Companies and Allied Matters Act CAP C20 LFN 2004, which we obtained prior to the date of this Auditor's report and the integrated report, which is expected to be made available to us after that date. The other information does not include the financial statements and our Auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

Based on the work we have performed on the other information that we obtained prior to the date of this Auditor's report, if we conclude that there is a material mis-statement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Directors for the financial statements

The Directors are responsible for the preparation and fair presentation of these financial statements in accordance with the Companies and Allied Matters Act, CAP C20, LFN 2004, the Financial Reporting Council of Nigeria Act 2011, the International Financial Reporting Standards and for such internal control as the Directors determine is necessary to enable the preparation of the financial statements that are free from material mis-statement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company and/or to cease operations or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from any material mis-statement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Mis-statements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also: identify and assess the risk of material mis-statement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and

obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of detecting a material mis-statement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as going concern.
- Evaluate the overall presentation, structure and content of the financial statements including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the financial statements.

We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicated with the Audit Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Audit Committee with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be brought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Audit Committee, we determine those matters that were of most significance in audit of the financial statements of the current period and therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

In accordance with the sixth schedule of the Companies and Allied Matters Act CAP C20 LFN 2004, we expressly state that:

- i) We have obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of our audit.
- ii) The Company has kept proper books of account, so far as appears from our examination of those books.
- iii) The Company's financial position and its statement of profit or loss and other comprehensive income are in agreement with the books of accounts.

NOTES TO THE FINANCIAL STATEMENTS

THE YEAR ENDED 31 DECEMBER 2017

Reporting Entity

Aluminium Extrusion Industries Plc. was incorporated on 26 October, 1982 and commenced business in 1987. Its principal activities are the manufacture and sale of a range of extruded Aluminium profiles, billets and roofing sheets.

The company's facilities are located at Inyishi, outskirts of Owerri, in Imo State of Nigeria and consists of extruded aluminium plant, billet casting plant, powder-coated plant, aluminum roofing sheet plant, product storage. Other facilities at Suleja, Niger State consisting of a leased powder-coating plant housed in factory building. All of the company's assets are located in Nigeria.

The company sells its finished products and by-products in the domestic market. Its products are of very high quality and in stiff competition with the foreign ones.

The current shareholders of the company (which are herein collectively referred to as the shareholders") are as follows:-

Shareholders	% Holding
Tower Aluminium (Nigeria) Plc.	67.76
Imo State Government	8.27
Abia State Government	6.14
Ebonyi State Government	1.50
Nigerian Citizens and Associations	<u>16.33</u>
	<u>100.00</u>

2 Basis of preparation

2.1 Statement of compliance

The financial statements have been prepared in accordance with International Financial Reporting Standards (IFRSs) and comprise:

- Statement of profit or loss and other comprehensive income
- Statement of financial position
- Statement of changes in equity
- Statement of cash flows
- Notes to the financial statements

ALUMINIUM EXTRUSION INDUSTRIES PLC

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

2.2 Adoption of new and revised IFRS standards

The following revisions to accounting standards and pronouncements were issued and made effective beginning on or after 1 January 2013.

The full impact of these International Financial Reporting Standards (IFRSs) and International Financial Reporting Implementation Committee (JFRIC) Interpretations has been assessed by the company, but noted that none of these pronouncements has resulted in any material adjustments to the financial statements.

Pronouncement	Nature of change	Required to be implemented for periods beginning on or after
IFRS 10 Consolidated Financial statements	IFRS 10 establishes principles for the presentation and preparation of consolidated financial statements when an entity controls one or more other entities. IFRS 10 replaces the consolidation requirement in SIC-12 Consolidation-Special Purpose Entities and IAS 27 Consolidated and Separate Financial Statements.	1 January 2013
IFRS 11 Joint Arrangements	IFRS 11 provides clarification on how interests in jointly controlled entities should be accounted for and focuses on the rights and obligations of the arrangement rather than its legal form.	1 January 2013
IFRS 12 Disclosures of Interest of Other Entities.	IFRS 12 provides new disclosure requirements for all forms of interests in other entities, including subsidiaries, joint arrangements, associates and unconsolidated structured entities.	1 January 2013
IFRS 13 Fair Value Measurement	IFRS 13 was issued as part of the IASB's convergence project with the FASB which provides new harmonised guidance on fair value measurement and disclosure requirements. The requirements in IFRS 13 do not extend the use of fair value accounting, but provide guidance on how it should be applied where its use is already required or permitted by other standards within IFRSs.	1 January 2013

ALUMINIUM EXTRUSION INDUSTRIES PLC

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER 2017

Required to be
implemented for
periods
beginning on or after

Pronouncement	Nature of change	Required to be implemented for periods beginning on or after
Amendments to IFRS 7 Financial Instruments Disclosures	The amendments in IFRS 7 require additional disclosure of transfer transactions of financial assets (for example, securitisations), including understanding for possible effects risks that may remain with the entity that transferred the assets.	1 January 2013
Amendments to IAS 19 Employee Benefits	The amendments in IAS 19 eliminate the option to defer the recognition of gains and losses, known as the 'corridor method', streamlines the presentation of changes in assets and liabilities arising from defined benefit plans, including requiring remeasurements to be presented in other comprehensive income (OCI); and enhances the disclosure requirements for defined benefit plans providing better information about the characteristics of defined benefit plans and the risks that entities are exposed to through participation in those plans.	1 January 2013
Amendments to IFRSs Issued 2011	This pronouncement sets out minor amendments to IFRS standards as part of the annual improvement process.	1 January 2013
IFRS 9 Financial Instruments	IFRS 9 introduces new requirements for classifying and measuring financial assets, a single approach to determine whether a financial asset is measured at amortised cost or fair value and a single impairment method. The IASB intends to further expand IFRS 9 (including impairment and hedge accounting) to completely replace IAS 39.	1 January 2015

2.3 Basis of measurement

The financial statements have been prepared on historical cost basis except for the valuation of certain Property, plant & equipment as explained in Note 18 and presented in the statement of financial position.

2.4 Functional currency

These financial statements are presented in Nigerian Naira which is the company's functional currency.

Except as otherwise indicated, financial information presented in Naira has been rounded to the nearest thousand.

ALUMINUM EXTRUSION INDUSTRIES PLC

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2017

3 Significant accounting policies

The accounting policies set out below have been applied in preparing these financial statements :

3.1 Revenue recognition

Revenue is generated from the sale of extruded aluminum products, roofing sheets and their by products. Revenue is measured at the fair value of the consideration received or receivable and represents amounts received or receivable for goods and services provided in the normal course of business and is reduced for estimated returns and other allowances.

Revenue from the sale of goods are recognized when all the following conditions are satisfied:

- The company transfers to the buyer all the significant risks and rewards of ownership of the goods.
- The company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold.
- The amount of revenue can be measured reliably.
- It is probable that the economic benefits associated with the transaction will flow to the company; and
- The costs incurred or to be incurred in respect of the transaction can be measured reliably.

Risks and rewards of ownership of products are transferred when the products are handed over to customers transporters/representative from company's finished goods storage facilities.

3.2 Foreign currencies

The functional currency of the Company is the Nigerian Naira and the company maintains its books in that currency. Transactions in currencies other than the Naira are deemed to be foreign currency transactions and are converted at the exchange rate prevailing at the transaction date. Monetary assets and liabilities denominated in foreign currencies are translated into Naira at rates prevailing on the reporting date with exchange gains and losses recorded in income statement.

3.3 Property, Plant and Equipment Recognition and measurement

Land and buildings held for use are stated in the statement of financial position at their revalued amount less accumulated depreciation and any impairment losses.

Plant and equipment including borrowing costs, are stated at revaluation/cost less accumulated depreciation and any impairment losses. Depreciation is calculated to write off the cost of property, plant and equipment other than land and construction-in-progress on a straight-line basis over the estimated useful life of the respective class of asset at the following annual rates:

	%
Leasehold buildings	2
Plant and machinery	2.5
Furniture, fixtures and equipment	10
Motor vehicles	15

ALUMINIUM EXTRUSION INDUSTRIES PLC

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2017

Assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amounts for those assets may not be recoverable. Impairment losses are measured as the difference between the carrying amount* and the recoverable amount, which is the higher of the asset's fair value less costs to sell and its value in use, as determined by the amount of estimated risk adjusted future cash flows. Impairment losses are recognised in income statement in the period in which they are incurred. The depreciation method and estimated useful lives are being reviewed regularly. Gains and losses arising on the disposal or retirement of assets are determined as the difference between the sales proceeds and the carrying amount of assets disposed and are recognised in the income statement.

3.4 Intangible Assets

Intangible Assets are measured at cost on initial recognition. They are carried at cost less any accumulated amortization and accumulated impairment losses if any

The useful life of the intangible are assessed as either finite or indefinite.

The useful life of the intangible are assessed as either finite or indefinite. Intangible assets with finite lives are amortized over the useful life and assessed for impairment whenever there is an indication that the intangible assets may be impaired. The amortization period and the amortization method are reviewed at least at the end of each reporting period.

Intangible assets with indefinite useful lives are not amortized, but are tested for impairment annually, either individually or at cash generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

The Company's intangible assets relate to software purchased and put into use within the year. The useful life of the assets is assessed to be three years and have been amortized accordingly using 33.33%

3.5 Inventories

Inventory comprise saleable goods held by the Company at the reporting date. These are valued at the lower of cost and net realisable value. Costs include purchase cost, cost (materials, labour, and overhead) and other costs incurred in bringing the goods to their present conversion location and condition. Inventories are valued using the Weighted Average method.

The amount of any written down value of inventory to net realisable value and all losses of inventory is recognised as an expense in the period the write-down or loss occurs.

3.6 Financial instruments

Financial assets and financial liabilities in respect of financial instruments are recognised in the financial statements when the company becomes a party to the contractual provisions of the instrument. Financial liabilities and equity instruments are classified according to the substance of the contractual arrangement. Financial assets and liabilities are offset and the net amount presented in the statement of financial position, when and only when, the Company has a legal right to offset the amount and intends either to settle on a net basis or to realise the asset and settle the liabilities simultaneously.

ALUMINIUM EXTRUSION INDUSTRIES PLC

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2017

3.6.1 Trade and other receivables

Trade receivables do not carry any interest and are stated at their nonr[^]al values as reduced by appropriate allowances for estimated irrecoverable amounts. Estimated irrecoverable amounts are based on the aging of the receivable balances and historical experience, individual trade receivables are written-off when management deems them not to be collectible.

3.6.2 Borrowings

Loans and borrowings are initially measured at fair value, net of direct transaction costs. Subsequently, loans and borrowings are measured at amortised cost, which is calculated by taking into account any discount or premium on settlement.

3.6.3 Trade and other payables

Trade and other payables are initially measured at fair value, and are subsequently measured at amortised cost using the effective interest method.

3.6.4 Cash and Cash Equivalents

Cash and cash equivalents comprises cash balances and call deposits with original maturities of three months or less. Bank borrowings that are repayable on demand and form an integral part of the Company's cash management are included as a component of cash and cash equivalents for the purpose of the statement of cash flows.

3.6.5 Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial asset or liability and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts or payments over the expected life of the financial asset or liability.

3.6.6 Impairment of Financial Assets

The Company assesses at each reporting date whether a financial asset or group of financial assets is impaired.

3.6.7 Assets carried at amortized cost

If there is objective evidence that an impairment loss on loans and receivables carried at amortized cost has occurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows (excluding future credit losses that have not been incurred) discounted at the interest rate computed at initial recognition). The carrying amount of the asset shall be reduced either financial asset's original effective interest rate (i.e. the effective directly or through use of an allowance account. The amount of the loss shall be recognised in profit or loss.

ALUMINIUM EXTRUSION INDUSTRIES PLC

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

The company first assesses whether objective evidence of impairment exists individually for financial assets that are individually significant, and individually or collectively for financial assets that are not an individually assessed financial assets, whether significant or not, and the asset is included in a group of financial assets with similar credit risk characteristics and that group of financial asset is collectively assessed for impairment. Assets that are individually assessed for impairment and for which an impairment loss is or continues to be recognized are not included in a collective assessment of impairment.

If, in a subsequent period, the amount of the Impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognized impairment loss is reversed. Any subsequent reversal of an impairment loss is recognized in the income statement, to the extent that the carrying value of the assets does not exceed its amortized cost at reversal date.

3.7 Impairment of tangible and intangible assets (excluding goodwill)

At each reporting date, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication of impairment. If such indication exists, the recoverable amount of the asset is estimated to determine the extent of the impairment loss (if any).

Where the asset does not generate independent cash flows from other assets, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

An intangible asset with an indefinite useful life is tested for impairment at least annually and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an -impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

ALUMINIUM EXTRUSION INDUSTRIES PLC

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

3.8 Taxation

Tax expense comprises current and deferred tax. Current tax and deferred tax charges are recognised in profit or loss except to the extent that it relates to a business combination, or items recognised directly in equity or in other comprehensive income.

Current Tax.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years. Taxable profit differs from profit as reported in the income statement because it excludes items of income or expenses that are deductible in other years for tax purposes, and it further excludes items that are never taxable or deductible.

Deferred Tax

Deferred tax is recognized on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and are accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognized for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilized.

Such assets and liabilities are not recognized if the temporary difference arises from goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be recovered. Deferred tax assets and liabilities are calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realized. Deferred tax is charged or credited to profit or loss, except when it relates to item charged or credited directly to equity, in which case the deferred tax is also dealt with in equity.

3.9 Dividends

Final dividends are a liability in the year in which they are declared and approved by the Company in general meeting. Interim dividends are recognised when they are paid.

3.10 Employee Retirement Benefits: Defined contribution plan

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and has no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which related services are rendered by employees.

Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payment is available.

The company makes provisions for retirement benefits in accordance with the Pension Reform Act 2004.

Employer and employees contribute 7.5% each of basic salary, transport and housing allowances of each employee. Employees' contributions are deducted from payroll while employer's contributions are charged to profit or loss.

ALUMINIUM EXTRUSION INDUSTRIES PLC

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

Benefits payable on retirement from employment are now paid at the end of each year to the employee concerned whether or not the employee has retired in accordance with agreement with the Employee/Employer Union.

3.11 Provisions

Provisions are recognised when the company has present obligation whether legal or constructive, as a result of a past event for which it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessment of the time value of money and the risks specific ... the liability. The unwinding of the discount is recognised as finance cost.

3.12 Earnings per share

Earnings per share (EPS) are based on the profit after taxation and weighted average number of ordinary shares outstanding at the end of each financial year. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares, which comprises convertible notes and share options granted to employees.

3.13 Segment Reporting

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the company components. All operating segments are reviewed over time by the Company's Board of Directors (BOD) to make decisions and assess its performance.

The Company's primary format for segment reporting is based on business segments. The business segments are determined by management based on the Company's internal reporting structure. The Company has two major business segments: Extruded Aluminium Profiles at Owerri and Suleja and Aluminium Roofing sheets at Owerri.

Revenue and cost represent operating revenues and expenses respectively that are directly attributable to each business segment. The Company's business segments are presented by line of business that are subject to similar risks and returns. All Company's revenue is derived from Nigeria.

3.14 Related Parties

Related parties include all associated companies. Directors and their close family members and any employee who is able to exert a significant influence on the operating policies of the company. Key management personnel are also regarded as related parties.

Key management personnel are those persons having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly including any director whether (executive or otherwise) of that entity.

ALUMINIUM EXTRUSION INDUSTRIES PLC

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

4 Use of estimates and judgment

The preparation of the financial statements in conformity with IFRSs requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Critical judgment applied in arriving at these estimates are based on the best information available to management at the time such estimates were made.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Information about assumptions and estimation uncertainties that may have a significant risk of resulting in a material adjustment within the next financial year are included in the following note:

Note 14 - Taxation

Note 18 - Recognition and measurement of Property, plant & equipment

Aluminium Extrusion

INDUSTRIES PLC

Rc No. 50, 400

BEWARE OF SUBSTANDARD
ALUMINUM PROFILES NOW
IN THE MARKET
COMPARE VERY WELL

INFERIOR ALUMINUM PROFILES
WILL LOOSE GRIP IN A SHORT TIME
AND GLASS WILL FALL OFF

PROFILES	ALEX QUALITY	INFERIOR-QUALITY
Thickness of Aluminum	1 mm (or Above)	0.7mm (or Lower)
Weight per meter (in gms)	6 meters	5.1 meters (or
Length	455 (or above)	340 (or Less)
Brush Holder	Holds Brush Tight	Loose Grip
Screw Hole	Firm and Lasts Long	Weak and will pull our in use

THICKNESS OF ALUMINUM

1. Quality and durable silver and Bronze Aluminium profiles.
2. High quality power-coated, over baked aluminium profiles in attractive colours.
3. Delighted, high quality long span roofing sheets with embossed aesthetic surface
